INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(c)

A decision dated November 13, 2006 has been received granting applicant's petition to revive this application which had gone abandoned for failure to timely notify the Patent Office of the filing of a PCT application.

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(c), Applicants bring to the attention of the Examiner the documents listed on the attached PTO-1449.

A copy of each listed document is attached except for U.S. Patents. Applicant respectfully requests that the Examiner consider the listed document and evidence that consideration by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed document is material or constitutes "prior art." If it should be determined that the listed document does not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the

claims of the present application.

Prosecution of this application has not been closed and a final action or notice of allowance has not been mailed. The fee specified in 37 C.F.R. §1.17(p) for filing this Information Disclosure Statement at this time in the proceedings is estimated to be \$180.00. Please charge this fee and any additional fee that may be due in connection with the filing of this Statement to our Deposit Account No. 50-0310.

Respectfully submitted,

MORGAN, LEWIS & BOCKIUS LLP
